

**Department of Teaching, Learning, and Educational Leadership
College of Community and Public Affairs**

**Course Number SPED Z528
Special Education Technology
Summer 2026**

Instructor Information

Instructor: Jiyeon Park, Ph.D.
Office: Academic Building B, Rm. 237
Office hours: [Click to make an appointment](#)
Telephone: (607) 777-4208
Email: jpark142@binghamton.edu
Zoom: <https://binghamton.zoom.us/my/jpark>
Communication Policy: Under most circumstances, email is the best way to contact me. Typically, I will respond within 24 hours.
For meeting requests, please use [the office hours calendar](#).

Course Information

Format: Asynchronous Online (Four synchronous group meetings are required)

Description: This course explores practical issues in using technology to support or supplement instruction for students with disabilities, including assistive and instructional technology. The course is grounded in principles of Universal Design for Learning (UDL) and Individuals with Disabilities Education Act (IDEA). You will have opportunities to engage in both individual reflection and shared online discussion through this course
Prerequisites: SPED 500/501 or equivalent; access to and competence with personal computer for email, word processing, and web searches.

Course Requirements

- Access to and competence with personal computers for email, word processing, internet searches, and educational technology tools.
- All other required readings will be posted on the course webpage.

Course Objectives

Course Learning Objective	CEC Standard	Assignment
Select, adapt, and use a repertoire of evidence-based instructional strategies to advance learning of individuals with exceptionalities.	CEC Initial Preparation Standard 5.0	Discussion Board Synchronous Class Participation
Create safe, inclusive, culturally responsive learning environments so that individuals with exceptionalities become active and effective learners and develop emotional well being, positive social interactions, and self-determination	CEC Initial Preparation Standard 2.0	UDL Module Assessment Student Profile Lesson Evaluation with Triple E Rubric Discussion Board
Modify general and specialized curricula to make them accessible to individuals with exceptionalities.	CEC Initial Preparation Standard 3.3	UDL Module Assessment Student Profile Lesson Evaluation with Triple E Rubric
Beginning special education professionals use multiple methods of assessment and data sources in making educational decisions.	CEC Initial Preparation Standard 4.0	Student Profile UDL Module Assessment
Use technologies to support instructional assessment, planning, and delivery for individuals with exceptionalities	CEC Initial Preparation Standard 5.2, 5.3	UDL Module Assessment Student Profile Lesson Evaluation with Triple E Rubric Discussion Board
Collaborate with families, other educators, related service providers, individuals with exceptionalities, and personnel from community agencies in culturally responsive ways to address the needs of individuals with exceptionalities across a range of learning experiences	CEC Initial Preparation Standard 7.0	Discussion Board Student Profile Synchronous Class Participation

Credit Hours and Expectations

This is a 3-credit course; candidates are expected to do at least 9 hours of course-related work or activity each week during the semester in addition to class hours. This includes time spent completing online classwork, assigned readings, preparing written assignments, and other course-related tasks.

Professional Behavior

Students are expected to demonstrate meeting the variety of professional standards for behavior and conduct that guide teaching in special education (the Council for Exceptional Children Standards for Initial Special Educators, as well as the NYS Teaching Standards). Professionalism includes regular attendance (i.e., Brightspace log on) and active participation. Individual response, partnering, and small and large group instruction are also frequent expectations of the class.

Student participation is reflected in promptness, attention to the topic being discussed, listening to fellow students, providing and initiating appropriate discussion, giving solid effort on all projects, submitting projects and assignments when due, showing respect and courtesy to fellow candidates and the instructors, and acting in a manner reflective of an adult student and professional educator.

Email Etiquette

Please keep in mind the following tips when corresponding via email with your instructor and other colleagues at your placement:

- ☐ Always begin with an appropriate greeting (hello, Dear, good afternoon).
- ☐ Be concise and to the point.
- ☐ Use proper spelling, grammar, and punctuation.
- ☐ Be timely in replying to emails.
- ☐ Try to avoid “fancy” fonts, colors, and formats (including background colors).
- ☐ Read (and re-read) your emails before sending.
- ☐ Take care when using abbreviations.
- ☐ Remember that when you type in CAPITALS it is indicating you are shouting.
- ☐ Use a meaningful subject line.
- ☐ Do NOT use email to discuss confidential information. EVER.
- ☐ Use active rather than passive verbs.
- ☐ Avoid long emails.

Other Requirements

- Complete online work in a timely manner.
- You will need to have a Gmail account (binghamton.edu) for this course. I use email to communicate with candidates, so please check your BU email on a regular basis. I expect your responses in a timely manner (within 48 hours).

- You will have synchronous group meetings in this course. Professional collaboration and communication are required, including responding to emails in a timely manner, sharing responsibilities, actively participating in discussions, and working respectfully with your group members.
- Brightspace is utilized extensively for posting course materials and for assignments. Please check and make sure you have access. Readings and materials will be posted on the course website. It is expected that candidates will be able to download/upload materials. For assistance with Brightspace, please contact the Help Desk at helpdesk@binghamton.edu or (607) 777-6420.
- Read the assigned text and supplemental readings
- As future teachers, candidates in this course must use up-to-date, respectful terminology (person-first language) both orally and in writing when referring to individuals with disabilities. Points may be deducted from written assignments for failing to do so.
- Unless otherwise specified, use APA format, Times New Roman or similar font, 12-point type, and 1" margins at the top and sides for all assignments. Candidates are encouraged to meet with a writing center instructor ([Writing Center](#), Library North 2411, 777-6725) as a resource.

Assignments and Grading

Grades are based on the successful completion of all course requirements in a timely manner. All assignments must be submitted to Brightspace before 11:59 pm on the assigned due date. Assignments should be typed using Microsoft Word/Google Docs and uploaded as a PDF/doc (Please do not submit a link), unless otherwise specified by the instructor. All assignments are due on dates listed in the course calendar via uploading them to the designated place on Brightspace, unless otherwise specified by the instructor. A score of zero (0) will be assigned for assignments submitted to an incorrect location or as inaccessible documents.

Grades will be assigned according to the following values:

Grading Scale:

Grade	Points/Percent
A	95 - 100
A-	90 - <95
B+	88 - <90
B	84 - <88
B-	80 - <84

Grade	Points/Percent
C+	77 - <80
C	74 - <77
C-	70 - <74
D	60 - <70
F	<60

Updated on May 24, 2026

There will be a possible total of 160 points and no extra credit. For specific assignments and corresponding due date, please see the course schedule on the last page of this syllabus.

Course Policies

Penalties for Late Work and Requests for Extensions

All course materials are available in advance (from May 16), allowing you to begin your work at any time and providing ample time before each due date. Assignments submitted after the due date will not receive full credit unless prior approval has been granted by the course instructor. Requests for late work approval must include appropriate and reasonable justification (e.g., medical issues, family emergencies), and documentation may be required.

If you do not have prior approval, assignments received by the instructors after the due date can only earn up to 50% of the total value of the assignment.

Assignments submitted after the last class day, June 28, 2026, will not be accepted or graded under any circumstances.

Absences Due to Religious Holidays

If you anticipate that religious observance will impact your assignment submission, please notify me in writing (email is acceptable) at least one week in advance. We will work together to find accommodation.

Participation

Participation is a very important part of the learning process in this course. Quality participation possesses one or more of the following properties:

- Offers a different and unique, but relevant, perspective;
- Contributes to moving the discussion and analysis forward;
- Builds on other comments;
- Transcends the “I feel” syndrome. That is, it includes some evidence, argumentation, or recognition of inherent tradeoffs. In other words, the comment demonstrates some reflective thinking.

Drop deadline

Incomplete Policy

<https://www.binghamton.edu/grad-school/resources/policies-procedures/manual/enrollment.html#incomplete>

Academic Integrity: Binghamton University provides explicit guidelines in the Student Academic Honesty Code (see the [Academic Policies and Procedures for All Students](#)). Unless specified otherwise in the syllabus, I expect the work you submit for grading to be yours and yours alone. Not acknowledging another's work with proper references, taking credit for someone else's work, letting your work appear in another student's paper, or fabricating "results" are grounds for failing the assignment and/or the course. If you have any questions about what constitutes plagiarism or cheating, please ask me. Students may use artificial intelligence tools, including generative AI, in this course as learning aids to improve their writing quality. In such cases, students should use [this AI chatbot](#). Students remain fully responsible and accountable for all submitted work.

Disability-Related Equal Access Accommodations Statement

Students wishing to request academic accommodations to insure equitable access and participation in this course should contact Binghamton University's Services for Students with Disabilities (SSD) office. Please visit the [SSD website](#) (www.binghamton.edu/ssd/) for contact information, Disability Documentation Guidelines, services, policies, and procedures.

Campus Help for Students

ITS Helpdesk/myCourses Support

- Walk-in: Located in the Computer Center first floor lobby.
- Call: 607-777-6420
- E-mail: helpdesk@binghamton.edu
- Online Resources: <https://www.binghamton.edu/its/>
- 24/7 Brightspace Support: <https://community.brightspace.com/support/s/contactsupport>

Libraries

The libraries offer a wide variety and range of services including research assistance, instruction, user-friendly interfaces, digital preservation, digital scanners, and resource sharing.

- Text: 607-205-8173; Call: 607-777-2345
- Email: refquest@binghamton.edu
- Online Resources: <http://www.binghamton.edu/libraries>

Dean of Students

If you are experiencing undue personal or academic stress at any time during the semester or need to talk with someone about a personal problem or situation, I encourage you to seek support as soon as possible. I am available to talk with you about stresses related to your work in my class. Additionally, I can assist you in reaching out to any one of a wide range of campus resources, including:

- Dean of Students Office: 607-777-2804
- Decker Student Health Services Center: 607-777-2221
- University Police: On campus emergency, 911
- University Counseling Center: 607-777-2772
- Interpersonal Violence Prevention: 607-777-3062
- Office of International Student & Scholar Services: 607-777-2510

University Counseling Center

At some point during their college experience, students may encounter personal, social, or developmental issues that call for assistance beyond the advice provided by friends and family. That's where the University Counseling Center (UCC) can help. The UCC provides a variety of free and confidential counseling services delivered by professional counselors. All currently enrolled Binghamton University undergraduate students, graduate students and affiliated entities are eligible to receive these services free of charge. Services and programs available through the center include individual and group counseling, consultation, referral, and psychoeducational programs. For more information or to make an appointment, visit <https://www.binghamton.edu/counseling>.

Care Team

If you want to speak with a person, a case manager, to express your concerns such as depression, anxiety, homesickness, academic concerns, friendships, relationships, isolation, or just anything, make an appointment at:

<https://www.binghamton.edu/services/care-team/contact.html>

Binghamton Support Network

Binghamton Support Network is a one-stop shop where you can search for anything about your concerns, then it will provide you with some resources and also give you an idea about whether it's confidential, free, on-campus, or not.

Chosen Names and Personal Pronouns

Everyone has the right to be addressed by the name and pronouns that correspond to their gender identity, including non-binary pronouns, for example: they/them/theirs,

Updated on May 24, 2026

ze/zir/zirs, etc. Rosters do not list gender or pronouns, so you may be asked to indicate the pronouns you use so that I don't make assumptions based on your name and/or appearance/self-presentation (you are not obligated to do so). If you use a chosen name, please let me know. Chosen names and pronouns are to be respected at all times in the classroom. Mistakes in addressing one another may happen, so I encourage an environment of openness to correction and learning. I will not, however, tolerate repeated comments that disrespect or antagonize students who have indicated pronouns or a chosen name. Chosen name and personal pronouns may evolve over time, so if at any point during the semester you would like to be addressed differently, please let me know.

Updated on May 24, 2026

Course Schedule

Please be aware that there are designated due dates and meetings for group discussions.

Module (Due Date)	Topic	Reading/ Resources	Assignment (point)*
M1 (5/17)	Overview of Special Education Technology: Assistive, and instructional technology	Bryant et al., 2025	● Syllabus Hunts (5 pts) & Introduction (5 pts) ● M1 Reflection (20 pts)
M2 (5/24)	Universal Design for Learning (UDL) & SETT Model	Zabala, 2020 CAST UDL Guidelines IRIS UDL Module	● M2 UDL/SETT Assignment (30 pts)
M3 (5/31)	Technology for academic support	Green, 2018 Park et al., 2025	● M3 Group Activities (20 pts)
M4 (6/7)	Technology for communication & social emotional learning (SEL)	Beukelman & Light, 2020	● M4 Group Activities (20 pts)
M5 (6/14)	Technology for vision, hearing, physical access	WATI chapters (See Brightspace Module 5)	● M5 Group Activities (20 pts)
M6 (6/21)	Emerging technology: immersive learning, artificial intelligence	Park & Choo, 2024 Coleman & Waterfield, 2026	● M6 Group Activities (20 pts)
M7 (6/28)	Digital Equity & Citizenship Leveraging your resources	See Brightspace	● M7 Tech Resources (20 pts)
Total			160 pts

**All assignments are due at 11:59 pm.*
